Additional wrestlers will be allowed to enter if bracket is not full, these spots will be given to lineups submitted first. **Brackets will be viewable by late Thursday night following the seeding meeting allowing all coaches to see which guys have a spot and those who do not.** No changes (except substitutions) will be allowed Saturday morning due to last minute additions, weight class changes, or missed weight. It is the coaches' responsibility to make sure his team is entered correctly and the contestants on weight.
