

What Coaches Are Saying.....

"The Kingsley has some of the toughest competition around. The round robin format ensures quality mat time for my wrestlers. Derek Strobel Lexington HS

"Great tournament! Very organized and well ran. The structured atmosphere, along with tough wrestling make it a great weekend that I look forward to every season" - Eddie Cook South Pointe HS

"I have come to greatly appreciate quality over quantity. Too often, wrestlers are eliminated and spend the week-end watching . With this format, each kid is as much about wrestling as the next." Chris Brock Fort Mill HS

Great opportunity for quality mat time and to see where our guys are at that point in the season.. Multiple matches combined with tough competition pushes our guys to get better. Jack Kosmicki Eastside HS

KINGSLEY CLASSIC TOURNAMENT FORMAT

The Kingsley Classic is one the most competitive in the southeast, offering top competition in a unique format. The tournament runs on a round robin, pool system that guarantees each wrestler 3-7 matches. The top 2 wrestlers from each pool advance into an 8 man double elimination bracket on Day 2. Open spots in the pools are filled with “house” wrestlers based on a lottery system.
